“WE GO THE EXTRA MILE FOR YOU...”

I met Arul about 5 years ago when he helped me find a rental property for my family. He was very kind and helpful and went above and beyond to find us a home to meet our needs. It only made sense that I would reach out to him again when I was ready to buy our first home. Arul was very patient with me throughout our home search. He was able to find us a home that truly exceeded our expectations and stuck to our initial budget. He was even able to negotiate a price below asking - which felt like winning the lottery! After moving in to our home, we were faced with an unexpected plumbing issue. As we did a Property Inspection prior to closing, the sellers were not willing to assist with the Plumbing bill. Arul took it upon himself to pay out of pocket for our expenses and it really showed me how much he cares about his clients. Thanks again Arul for helping us find our dream home and for exceeding our expectations with your level of service and expertise!
